

DIRECTIONS: Take 1 serving 60 minutes before training, or with a carbohydrate based meal on rest days. Use this product in conjunction with food as part of a healthy, balanced diet, not as a substitute for such.

Life is a war (for some more than for others) and every training session is a battle one cannot afford to lose! When you go to war, you need a weapon. And why take a gun, if you can take a cannon?

CARNI CANNON is an overwhelming 9 component, L-Carnitine based complex! L-Carnitine and Acetyl L-Carnitine add up to 1000 milligrams per serving. We added Pyruvate and Alpha-Ketoglutarate (AKG) to strengthen our formula!

One or more of our ingredients contribute to the following beneficial physiological effects*:

- reduction of tiredness and fatigue
- normal energy-yielding metabolism
- normal macronutrient metabolism
- maintenance of normal blood glucose levels
- normal functioning of the nervous system
- normal production of thyroid hormones and normal thyroid function
- normal lipid metabolism and the maintenance of normal liver function

**These statements have been scientifically proven and authorized by the European Food Safety Authority.*

Store in a cool, dry place. Heat and sunlight may damage the bottle!

Allergen info: Manufactured in a facility that processes milk, soy and egg proteins, and gluten, peanuts!
