

DIRECTIONS: Take 5 capsules optimally after training, or before a meal on rest days. Use this product in conjunction with food as part of a healthy, balanced diet, not as a substitute for such.

CREA COMBAT is an 11 component bioactive Creatine complex. Our "Multi-Creatine" blend at a 5000 mg dose is over the minimum amount (3000 mg) that's scientifically proven to increase performance in successive bursts of short-term, high-intensity exercise like weight training and all-out interval cardio.*

We added several popular ingredients to complete our design, including the amino acid L-Leucine, 4-Hydroxy Isoleucine, Alpha Lipoic Acid and AKG (Alpha-Ketoglutarate).

CREA COMBAT (Niacin and Folate) provides the following physiological benefits*:

- contributes to the reduction of tiredness and fatigue, and to normal energy-yielding metabolism
- contributes to normal amino acid synthesis
- contributes to normal functioning of the nervous system
- contributes to the normal function of the immune system
- contributes to normal blood formation

NOW GO TO WAR AND DOMINATE!

**These statements have been scientifically proven and authorized by the European Food Safety Authority.*

WARNINGS: Don't use if you have any kind of medical condition, take any medications, or before medical procedures. Also avoid if pregnant or nursing. Consult your physician before use! Keep out of the reach of children!

Store in a cool, dry place. Heat and sunlight may damage the bottle!
