

**DIRECTIONS:** Start with 1-2 caps 1-2 times a day to assess stimulant tolerance! A full serving is 3 capsules, which can be taken twice a day on an empty stomach first thing in the morning and in the afternoon. Cycle usage: use for 8-12 weeks, then take at least 2 weeks off. Avoid any other sources of stimulants while on! Stack only with non-stimulant ingredients like L-Carnitine for example. Use this product in conjunction with food as part of a healthy, balanced diet, not as a substitute for such.

FIRE RAID is a stimulant complex of Caffeine, several popular plant extracts like Citrus Aurantium (source of Synephrine), Green Tea (source of Epigallocatechin gallate – EGCG) and amino acids among others. Altogether it has 13 active ingredients! FIRE RAID provides Chromium that contributes to normal macronutrient metabolism and to the maintenance of normal blood glucose levels.\*

*\*These statements have been scientifically proven and authorized by the European Food Safety Authority.*

**Warnings:** Don't use if you have any kind of medical condition, take any medications, or before medical procedures. Also avoid if pregnant, nursing or under the age of 21. Consult your physician before use! Keep out of the reach of children! **DON'T EXCEED THE RECOMMENDED DOSAGE!**

**Store in a cool, dry place. Heat and sunlight may damage the bottle!**

**Allergen info:** Manufactured in a facility that processes milk, soy and egg proteins, and gluten, peanuts!

**Best before end:** see on packaging. **Batch number:** see on packaging.
