

SCITEC[®]
ESSENTIALS

DIRECTIONS: Take 1 softgel capsule daily, preferably with a meal. Use this product in conjunction with food as part of a healthy, balanced diet, not as a substitute for such.

Lecithin is a fat-like substance called phospholipid. It is composed mostly of B-vitamins, Phosphoric Acid, Choline, Linoleic Acid and Inositol. Lecithin contains all the phosphatides found naturally in cell membranes. Each Lecithin softgel capsule provides you with 1200 mg of natural Lecithin extracted from soybeans.

Allergen info: Manufactured in a facility that processes milk, soy and egg proteins, and gluten, peanuts!

Store in a cool, dry place. Heat and sunlight may damage the bottle!

Best before end: see on packaging.

Batch number: see on packaging.
