

**DIRECTIONS:** Drink 25 ml 30 minutes before training. Shake well before use!

Guarana is a natural, herbal source of caffeine and other phytochemicals. It's useful for increasing energy levels, cognitive performance (focus, concentration), and it is also a great tool for dieting because it suppresses appetite and aids in the use of bodyfat for fuel. Liquid Guarana is fortified with a vitamin matrix. Our liquid formula allows fast and efficient absorption.

**WARNINGS:** Sweetened, bulk liquid products are easy to overdose, pay attention and use the measuring cup!

**DON'T EXCEED THE RECOMMENDED DOSAGE!**

These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

**Caution:** as with all exercise and nutritional programs, please consult your physician first. Keep out of the reach of children.
