

DIRECTIONS: Take 1 packet a day, preferably with a meal. Use this product in conjunction with food as part of a healthy, balanced diet, not as a substitute for such.

MULTI PRO PLUS is a high-level multi-vitamin and mineral formula in a packet of several tablets/capsules that's based on our 2013 MEGA DAILY ONE PLUS multi-vitamin caps. MEGA DAILY ONE PLUS is our advanced multi-vitamin and mineral formula that has 25 ingredients itself (plus the extras of MULTI PRO PLUS)! It features a high-dose Vitamin B complex and Vitamin C, plus essential minerals including Magnesium, Selenium and Zinc. Vitamin C contributes to the normal function of the immune and nervous systems, and to the reduction of tiredness and fatigue. It also helps to maintain the normal function of the immune system during and after intense exercise (the beneficial effect is obtained with a daily intake of 200 mg in addition to the recommended daily intake of Vitamin C)! Vitamin B2 contributes to the maintenance of normal vision and normal red blood cells. Folate contributes to normal amino acid synthesis. MULTI PRO PLUS has 250% of the Recommended Daily Allowance of Vitamin D3! Vitamin D contributes to the maintenance of normal muscle and immune system function, and to the normal absorption/utilisation of calcium and phosphorus. Zinc contributes to normal fertility, reproduction and to the maintenance of normal testosterone levels, and also to normal macronutrient metabolism. Magnesium contributes to normal functioning of the nervous system: neurotransmission and muscle contraction including heart muscle; also to normal protein synthesis and to the maintenance of normal bones and teeth. Selenium contributes to normal spermatogenesis, to normal thyroid function and to the maintenance of normal hair, nails. MULTI PRO PLUS additionally has an Omega-3 and Lecithin softgel, Co Q10, Polyphenol rich Grape Seed extract and it's fortified with Lutein as well!

*These statements have been scientifically proven by the European Food Safety Authority (EFSA) and authorized by the European Commission (EC).

WARNINGS: Consult your doctor before use. Keep out of the reach of children! Don't exceed the recommended daily dosage!

Allergen info: Contains shellfish, fish ingredients! Manufactured in a facility that processes milk, soy and egg proteins, and gluten, peanuts!

Store in a cool, dry place. Heat and sunlight may damage the bottle!
Heat, humidity, and sunlight could cause the softgel capsules to stick together but this doesn't affect the efficacy of the product!

Best before end: see on packaging. (MM/YYYY)

Batch number: see on packaging.
